

Title

Bronglais Hospital

Client

Hywel Dda Local Health Board/
Laing o'Rourke

Location

Aberystwyth

Project

The Local Health Board are developing a new £35m, five storey extension to Bronglais Hospital and a new off-site park and ride facility.

Our input

Asbri promoted the planning applications, and coordinated the development team, arranged a public consultation event and monitored the determination of the application. This included liaising with the LPA and Local Health Board. Asbri also coordinated the discharge of planning conditions.
