

**Title**

Hurst House Hotel

Client

Followset Ltd

Location

Laugharne, Carmarthenshire

Project

To promote improvement and future developments at this luxury hotel in West Wales.

Our input

Asbri Planning is working to regularise a number of works at the listed hotel that were carried out without the benefit of Planning Permission or Listed Building Consent by a previous owner. In working hand in hand with the Planning and Conservation Officers, Asbri Planning has been able to successfully present a strategy to the Council that has suspended enforcement action.
