

Title

Llanelli Town Centre

Client

HDD Llanelli Ltd

Location

Llanelli, South Wales

Project

Preparation and submission of a major planning application for a new Town Centre mixed use development, including hotel, offices, retail units, restaurant, bus station and car park.

Our input

We prepared an Environmental Impact Assessment which was successfully accepted, coordinated the development team, monitored the application to (successful) determination by Local Planning Authority and liaised with the Countryside Council for Wales and the Environment Agency on behalf of the client.
