

Title

Loudoun Square

Client

Cardiff Community Housing Association

Location

Cardiff

Project

Plans for the regeneration of Loudoun Square in Butetown, Cardiff are being developed as a partnership project involving Cardiff Community Housing Association, Cardiff Council, Cardiff Local Health Board, Cardiff and Vale NHS Trust, and the local community.

Our input

Asbri was able to secure planning permission for the scheme, which will include a Community Health Resource Centre (CHRC); a new shopping parade comprising 11 new retail units including provision for existing traders; managed community space which will provide accommodation for a range of community uses; a mix of new family housing; and buildings incorporating the latest sustainable construction standards.
