Project

Asbri Planning has recently led on the preparation and submission of a full planning application for a 70 bed care home for Care Home Investments (Mollington) LLP. Care Home Investments (Mollington) LLP is a wholly own subsidiary of Castleoak Care Developments for whom we have acted for on a number of similar care home applications across the UK.

Our input

The commission covered the preparation of a planning appraisal, pre-application discussions with the Local Planning Authority and the managing of a design team that covered a broad spectrum of disciplines including architecture, ecology, transportation and geo-technical in the preparation of a full planning application.
