

Title

Rodney Parade

Client

Taylor Wimpey

Location

Rodney Parade, Newport, South Wales

Project

Mixed use redevelopment of the east bank of the River Usk in Central Newport. The high profile scheme includes over 400 residential units, commercial development, a riverside walk and river defence works.

Our input

Asbri Planning act on behalf of Taylor Wimpey in promoting the mixed use redevelopment. Asbri forged a strong working relationship with the LPA and have worked closely with them to secure a timely planning permission for the scheme. We coordinated the preparation of an Environment Impact Assessment and discharge of conditions and numerous amendments. to the original scheme

Our involvement with the site will continue with the forthcoming submission of several re-plan applications and associated section 106 negotiations.
