

Title

Site K Hotel

Client

OPCO

Location

Swansea

Project

The client was involved in the construction of a new hotel in Swansea, South Wales. We were appointed to manage the planning application, co-ordinate the development team and liaise with the LPA.

Our input

Asbri undertook additional consultation with statutory consultees, monitored the application to determination by the LPA and discharge planning conditions. The scheme resulted in the granting of planning application and the formal discharge of planning conditions.
